OHMM MAMA!

Dear *Voluptuous*,

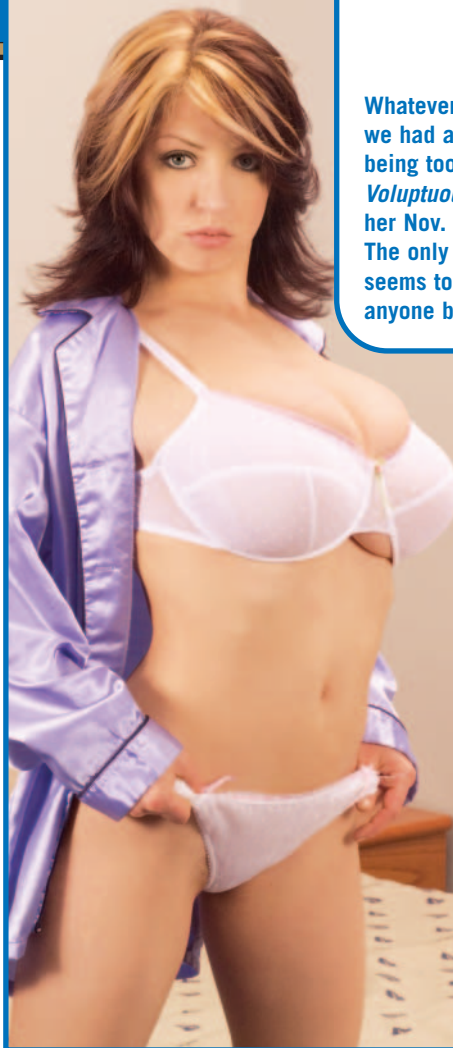

I just saw the pictorial of Kelly Kay and her mom. Wow! You said Mrs. Kay did a layout for *40Something*, and I would like more info about when that issue will come out.—G.L.P., Missouri

Dear G.L.P.: Mama Jane's *40-Something* pictorial was in the December 2005 issue which is now available online, or you can order by phone or fax. It's worth it!

ABSOLUTELY STUNNING

Dear *Voluptuous*,

I think I speak for all V-men and tit-lovers the world over when I write in to

Whatever reservations we had about Marilyn being too thin for *Voluptuous* ended with her Nov. '05 debut. The only question now seems to be, "Is there anyone better?"

tell you that Marilyn is stunning!

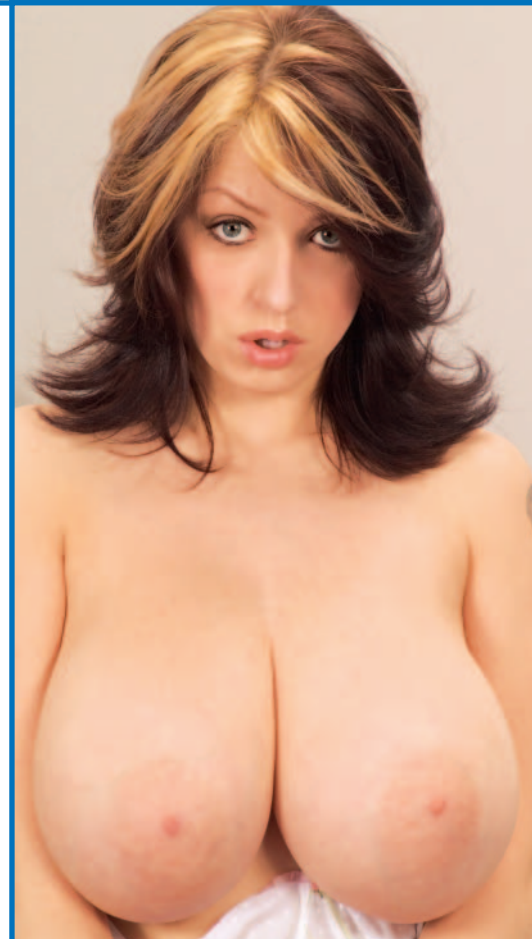

Her tits are, again, stunning. That's the only word I can think of to describe her. And, no, Marilyn is not too skinny for *Voluptuous*. In fact, I think the fact that she is so skinny is what makes her so unbelievable.—R.P., California

MERILYN IS A FUTURE MODEL OF THE YEAR

Dear *Voluptuous*,

After purchasing the Nov. '05 issue of *Voluptuous* at my local liquor store, I must confess that I had a problem driving straight home. Just seeing Marilyn on the cover got my cock throbbing, and when I got to a light and opened the magazine up, that was all it took. I had to pull over and was shooting cum all over my steering wheel in seconds.

Marilyn is unbelievable. The only negative I would mention is her areolae are not as dark as I normally prefer, but that will come with age and lots of suckling. I would tell you to show more of her, but that would be like telling

When Kelly Kay's mom, Jane, appears in *40Something* doing a lot more of this, we'll let everyone know in the V-Mail.

people to exhale after they inhale.

I would like to close my first letter to *Voluptuous* with my condolences to all of the ladies in the 2005 Newcomer of the Year Contest. That contest is done. It's over. My condolences also to Nicole Peters, Kelly Kay, Nadine Jansen and Ines Cudna, the four ladies who used to be my favorite V-girls.

Sorry, ladies. One of you may very well enjoy the 2005 *Voluptuous* Model of the Year crown, but come 2006 that title is going to Marilyn for a long, long, long time.—L.F., Texas

NO PROBLEM...

Dear *Voluptuous*,

I noticed that The SCORE Group has different magazines, and I was wondering if you could please make a mag-

azine based on rubenesque women who are six-foot tall (and up), with big boobs, who are also hermaphrodites?

I think hermaphrodites, especially tall, big-boobed hermaphrodites, are kind of interesting. I don't really know why. Maybe it is the strangeness of them that makes hermaphrodites so appealing to me.

The thing is these girls do exist, but there's no magazine dedicated to them, so your company could take care of that for all of your readers who are like me. The girls don't have to be performing any kind of sexual activity, either. Simple nude posing would be enough.

I think that a magazine idea like the one I suggested would go over quite well with a lot of people, both men and women. I think a lot of people would

be quite curious to see these women. Think about it. And, by all means, ask my fellow readers what they think. You might be very surprised by their reaction.—D.M., Ontario, Canada

Dear D.M.: Tall, busty, curvaceous hermaphrodites, eh? How's this for an idea? If you (or all of our readers combined) can find 10 of these women, we'll break the Voluptuous bank to get them to pose and publish a special issue. Deal?

SOME CROOKED TEETH NEVER HURT ANYBODY

Dear Voluptuous,

I know you're going to get a ton of rave reviews about Bozena, Joana, Luma and Denise Davies, all of whom made the Dec. '05 *Voluptuous* a very memorable issue, and I would most certainly agree with most of them. So, rather than embellish the udderly obvi-

ous, I want to acknowledge Marie Louise, lest she be ignored.

I like seeing older, mature-looking women with big, floppy tits. I also like her "plain-Jane" looks, stocky body and crooked teeth because they make her more real and natural to me. That also shows me that your model selection is more about the breasts than anything else. That's comforting for a man who considers big breasts to be the #1 criteria for being in *Voluptuous* and the "pretty" factor to be secondary. At times, you do have a tendency to forget that.—T.L., New York

MORE FATTIES?

Dear *Voluptuous*,

First off, let me congratulate you on producing the best big-tits-and-ass magazine in the world. Each issue of *Voluptuous* features hot women, well laid out pictorials and good overall quality of production. Well done!

I have one suggestion to make. Please feature at least one or two XXXL-sized women each issue. For all of us who appreciate the super-sized BBWs, it would be very gratifying to see at least one layout of a woman who takes "big and sexy" to the next level—i.e. 300 lbs.+. Don't get me wrong. I love the regular-sized BBWs you feature. They are sexy as all hell. I just think that your magazine should also showcase women for those of us who lust for acres of soft, billowy, fatty flesh.

Once again, excellent work! I have nothing but respect for your staff. In a thin-obsessed society, you are to be commended for having the wisdom and balls to put out a mag that appeals to men who love real, curvy women. —F.C., e-mail address withheld

ANNIE'S RAUNCHIEST HARDCORE VIDEO EVER!

Video Review By **CURLY REDWOOD**

Annie Swanson may be small, but so is a stick of dynamite. Both are equally explosive once the fuse has been lit.

Annie may not be five-feet tall, but she's certainly risen to new heights in terms of popularity amongst V-men. Annie's got a great smile, personality to spare, a body that makes men drool, and, of course, those big fucking tits.

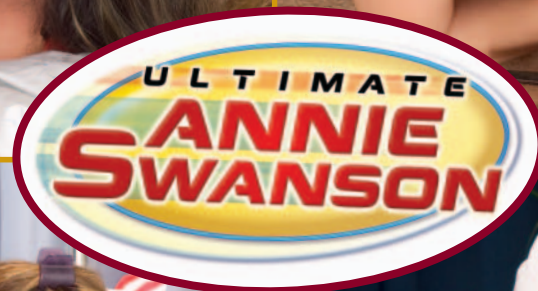

Ultimate Annie Swanson starts by featuring Annie's best assets as she's jumping on a trampoline, where her boobs eventually (and thankfully) flop out of her shirt. Not many movies can draw an audience in that quickly.

As she draws a bubble bath, Annie tells us that today is a day that will change and define her life. This is the day she is going to get a job. Yeah, we know, feature dancer at an elite strip club such as Scores or the Gold Club is a good-paying job, but Annie is looking to use her brain, not her body. Just go with it. That will change soon enough.

We watch as Annie towels off, puts on her skirt and red bra before but-toning her top. Soon,

We could tell you all about Annie Swanson's newest hardcore video, or you could read Curly's review. However, for a lot of guys, all they really need to hear are three things: Annie Swanson, a big cock, and lots of orgasms! *Nuff said!*

Yes, boys, it's *Hard Attack Time!* With Annie Swanson and Liliith (turn to page two of this month's *Voluptuous Xtra* for more hardcore starring Liliith) double-teaming a lucky stiff and getting off big-time, this is Annie's raunchiest video ever. She even gets young Ana off (opposite page) in hot-ass girl-girl. But, you don't even have to be a fan of Ana, Annie, Liliith or even big tits to get off on the sexxx in *Ultimate Annie Swanson*. The fucking, sucking and power-orgasms are reason enough.

she's on her way to secure her place among the gainfully employed.

PHONE-SEX OPERATOR

Annie walks into the Stein and Gallow Employment Office, and one of them immediately mispronounces her name. Annie is very forgiving, as long as he can find her a job. He asks her about any special skills she has, and Annie lays it on the line.

"Besides having really big tits, people compliment me on my oral skills," she tells him. "I talk a lot."

Immediately, the idea is that Annie should be a phone-sex operator. The idea sounds like a good one—combine Annie's zest for sex with those oral skills she mentioned.

The phone rings at her apartment, and Annie greets the horny guy on the phone. Technology being what it is, this customer opts for the video phone call. Smart move, given that Annie's 36Es have to be seen to be believed.

Annie lowers her top and removes her hot pink, strapless demi-bra. She grabs a bottle of lotion and thoroughly massages it into her massive rack. Annie then goes about caressing, squeezing and rubbing her massive mammaries.

Annie brings out a massive vibrator. Clearly she has prepared herself well for her new endeavor. Remember, a craftsman is only as good as his or her sex tools. Annie rubs the monster toy on her nipples and then surrounds it with her cleavage. She

drops some oil on it and starts thrusting it between her bodacious boobs.

We would think that a phone-sex operator would be a bit more vocal, but we'll chalk that up to this being a video call. Though almost mute, Annie is certainly being quite visual in her display. She lays on her back and continues to work the plastic prick between her bodacious ta-tas.

Annie then slides the sex toy into her shimmering box. Clearly, her new job has gotten her excited. She pushes the vibrator into her wet cunt with short, quick strokes before changing positions and straddling it. Annie bounces up and down on it, taking as much of the big surrogate prick as she can into her horny snatch. The guy on the phone isn't saying a word, but we're sure he's enjoying this as much as we are.

Changing positions again, Annie stands up and bends over, telling her caller to imagine her grabbing his cock and guiding it into her. She pumps herself with the dildo while fondling her right breast and then throws her head back and announces in a very loud way that she's cumming.

And she does, long and hard. Whoever was on the other end of that phone line must have been jacking hard when Annie's orgasm overtook her entire body. This was time to let the man-goo fly; the first of several in this film.

Rather than waving goodbye, Annie does something better. She shakes her cleavage at her video caller, no doubt mesmerizing him. Annie's tits don't say, "goodbye." They seem to shout, "Ya'll come back now, ya hear!"

RETAIL MANAGER

Annie soon decides that being a phone-sex operator is not for her, much to the chagrin of potential callers worldwide. She figures she'll have so many orgasms every day that her pussy would go numb. While this is not possible (Curly does his research), Annie's concern is understandable, but completely unfounded.

The best part about Annie as a retail manager is that she thinks like all of us. When she spies a hot chick making her way through the racks of clothes, Annie gives her the once-over, twice, and, being the friendly and helpful employee that she is, Annie finds the woman three sexy outfits to try on. Annie's imagination starts running wild as she

LOGAN MOSS

Mother Nature definitely knows best!

Another month and another hot-as-balls *Voluptuous* newcomer. This lovely lady's name is Logan Moss, and as much as we'd love to tell you she's destined for bigger and better things, that ain't the case. Logan is a "one-shot wonder," as in, this is it folks—no more pictures after these. The reason? Instead of a great model, Logan would rather be a good mother.

In these pictures we're seeing Logan five-months pregnant. Although her tummy isn't showing, her boobs sure are. "I was always pretty big up top," Logan told us. "But not like this. I've gone from a big C-cup to a full E, and my nipples are getting so big. This is awesome. I hear some pregnant women complain about getting big tits, but I gotta tell ya, anybody who says they don't love having big tits oughta have their head examined." No argument here, Logan.

Weight: 158 lbs. Bra Size: 36E Measurements: 42-28-36

Occupation: Former dancer, current house-mom

We're not going to get into the one-shot wonder stuff. That's Logan's decision, and we'll respect it. We're just glad she's packing and posing. And, boob-brothers, is she ever packing! Long-time big-tit lensman James Hamilton told us that he was amazed at the sheer weight of Logan's boobs. "I've been shooting big tits for 20 years, and I was astounded at how heavy they were," Jim told us. "They were like two big-ass bowling balls! There's just something about those preggers. If you love big, heavy hangers, find yourself a pregger, and you'll be in heaven." You did, James, and we are!

ULTIMATE ANNIE SWANSON

Continued from page 14

ponders what her sexy customer would look like without her top on. That's good thinking.

She gets to see a little while later. As the customer (who we all know is young, screaming, horny Ana from *Voluptuous Xtra #11*) tries on the first outfit—a sheer, red top with a red and black skirt—Annie is secretly peeking in at her through the dressing room curtain (or, in this case, the *un*-dressing room). The top is easily seen through, and Annie is wide-eyed with lust checking out her customer's rack.

Ana calls Annie in and asks, "I don't look too slutty in this, do I?"

Around here, we'd translate that to mean, "Do I look presentable?"

Staring right at her nipples, Annie assures Ana that she looks fine, and that the reason she does is because you can see her huge knockers staring back. Seconds later, tops are flying off, tits are being squeezed and nipples are being sucked in the store's dressing room.

Still the helpful employee, Annie has her customer sit on her lap. This gives Annie the opportunity to suck on a nipple while she's diddling Ana's beautiful pussy. This is what's known in retail as "The Red Carpet" treatment.

Fortunately, Annie has a bottle of lotion in her bag and applies a liberal amount to her customer's rack. She lovingly rubs it in, and then reaches for the bottle again to lube up her own chassis. The girls rub their boobs together, their slick nipples sliding back and forth against each other, growing harder.

Annie then lays back and gets some personal attention from her customer, who gets on her knees and gives a rather spirited dose of cunnilingus. Ana inserts a few fingers as Annie's moans get louder. Annie reaches back and pulls a vibrator out of her bag (Does she carry a sex kit with her at all times?), and her customer sucks on it while Annie holds it against her slit.

The girls take turns using the vibrator on each other. First, Annie has a powerful orgasm while the toy gets stuffed in and out of her hot hole. She then returns the favor, using the toy with some help from her talented fingers to cause an extremely intense—and loud—orgasm in the young, busty Ana.

MARIA MOORE

Stacked And Packed To The Max!

If there's one phrase to describe Maria Moore, "stacked and packed" would definitely be it. At only about five-foot-three, Maria sports her 147 pounds in all of the right places, the least (and most) of which has gotta be her FF-cup tits. Still, even though V-men love massive mams, Maria's much more than just a great rack. Her pretty face has captured thousands of readers' hearts, and Maria's round ass is to die for. Hell, we even like that thingamajig in her hair. You can see why she's one of the most popular ladies-next-door ever to appear in *Voluptuous*. If your vision is less than 20-20, start turning pages. You'll get the picture.

Just in case you guys are looking at Maria's heavy-ass tits and thinking, "FF-cups, eh? Wonder what that's like?" here's some perspective for you. If anybody is having turkey for their holiday feast, before you put that bird into the oven, go ahead and pick up that 16-20 pounder. Now, imagine you're holding Maria's tits. The weights are pretty darned close. Go ahead, rub 'em. Massage 'em. Fuck 'em if you get the urge. Only, guys, do your guests a big favor, and try to baste your bird with at least a little butter.

Yeah, the pictures on this page show you why we can't get enough of Maria Moore and why her *Stacked & Packed* #5 video (Maria's only flick) has fast become a best-seller. V-men know a good one when they jack to her, and though we could babble on forever about Maria, why bother. With Moore hot pictures on the next couple of pages, is anybody actually reading this stuff anyway?

FUCKIN' BITCHES

EVERY MAN WANTS TO NAIL ONE. THE ONLY QUESTION IS, AT WHAT COST?

Erotic Fiction by Frank Sandwell

Most big-time private investigators have a license, a Yellow Pages ad and an office in a strip mall. All Jack Brogan had was early retirement from the Dallas Police Department because he was caught *in flagrante delicto* with his captain's 19-year-old daughter.

But, the young woman on the other end of the telephone line wouldn't take "no" for an answer. "Just meet with me," she insisted. "You name the time and the place, and I'll be there."

"No."

"You're my last hope," she pleaded.

They went around like that for another few minutes before Jack finally gave in. He named a quiet bar not far from his apartment and suggested a time later that evening. Then he asked, "How will I recognize you?"

"Don't worry, Mr. Brogan," she said. "I'll recognize you."

Brogan arrived at the bar a few minutes early and settled into a rear booth where he could watch the front door. Not much happened

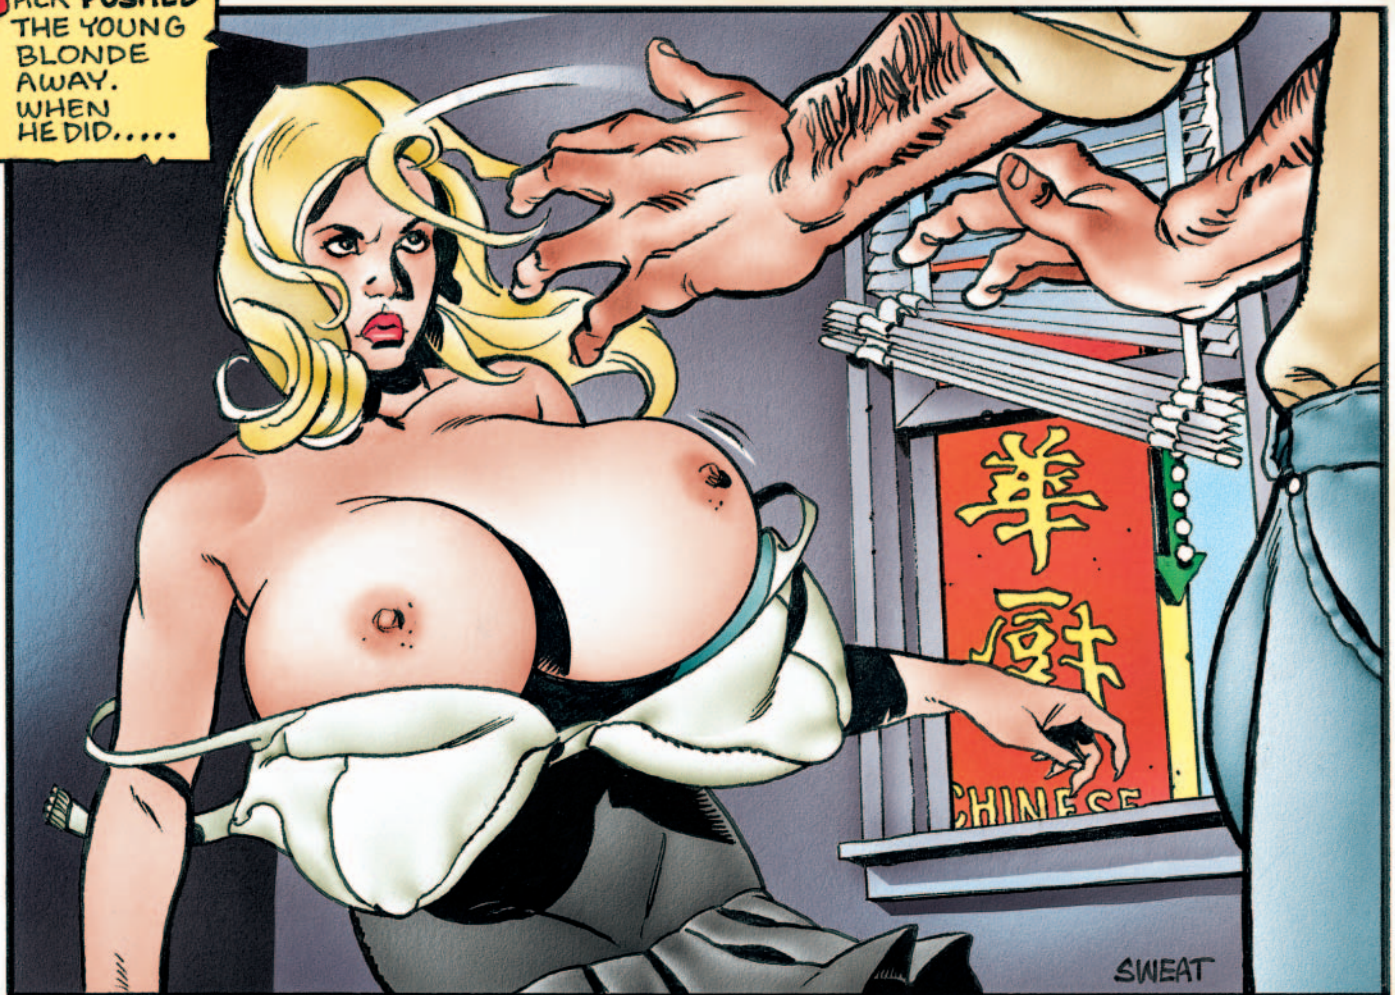

while he nursed his drink.

Then his caller arrived, her breasts entering the bar nearly a step ahead of the rest of her, and all eyes turned in her direction. She wore a scoop-front, white blouse, the buttons straining to contain her breasts when she inhaled, and a pleated, knee-length, black skirt that swung from side to side as she walked. She glanced around the room, and then walked directly to Jack's table.

She stood before Jack with her hands on her hips and said, "Aren't you going to ask me to sit down?"

"So, sit."

JACK PUSHED THE YOUNG BLONDE AWAY. WHEN HE DID.....

Illustrations By OTIS SWEAT

She slid into the booth, sitting opposite Jack, and her massive breasts rested on the tabletop, threatening to erupt from her blouse and nearly pushing Jack's empty Pilsner glass into his lap.

"Can I get you anything, ma'am?" The mush-faced bartender said, having quickly left his spot behind the bar to get a closer look at the buxom blonde.

Jack glanced at him, knew he could take the bartender in even an unfair fight, and returned his attention to the young blonde sitting across from him.

"Give me a Jim Beam with a beer chaser," she said, pushing Jack's glass toward the bartender. "And bring him another of whatever he's having."

When the bartender stepped away from the booth, Jack asked, "Tell me, what can I do for you that no one else can do?"

"You haven't even asked me for my name," she said.

Jack shrugged.

"It's Sara."

The bartender returned with their drinks and then hovered around the table until Jack pushed a crumpled twenty at him and told him to point his pecker in another direction.

Sara downed her Jim Beam and then chased it with a large swallow of beer. "Do you have a gun, Mr. Brogan?"

"I lost my license to carry a weapon when I left the force."

She stared directly into his eyes. "That's not what I asked."

"Yes," Jack said. "I have a gun."

"You ever shot anyone?"

"A few times," he said, with only a hint of reluctance, "in self-defense."

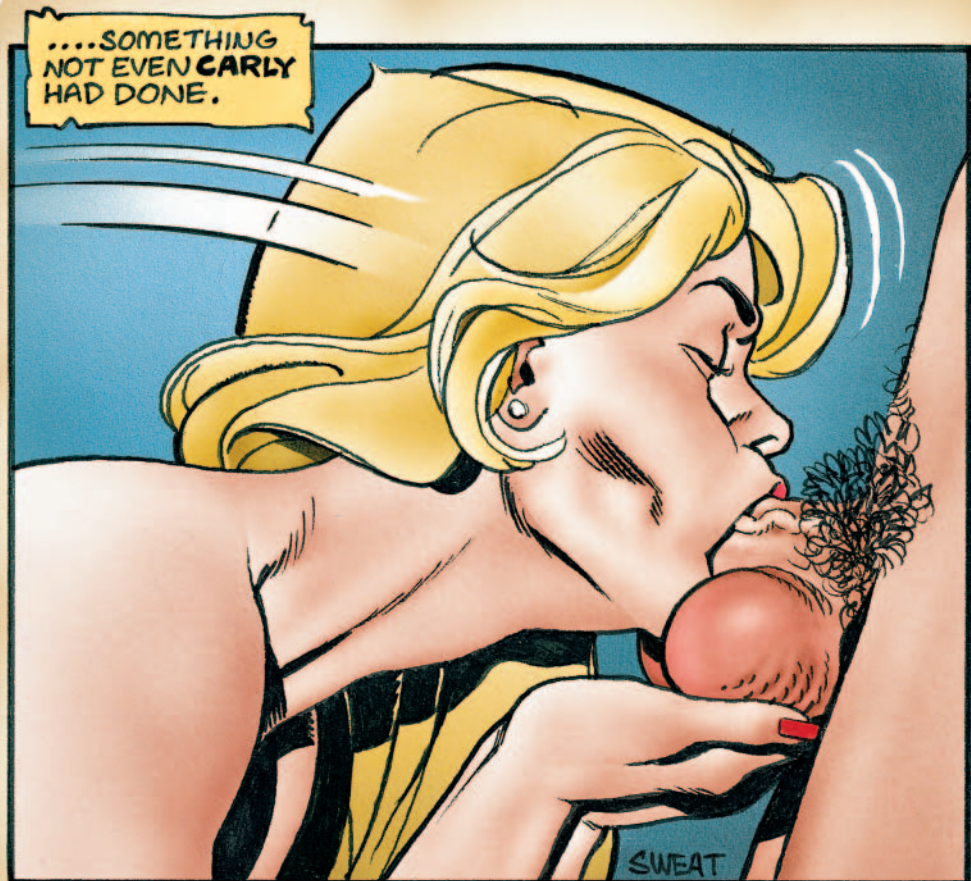

Sara had slipped off one of her shoes, and Jack felt her toes stroke the inside of his thighs on their way to his crotch. He sipped his pilsner and waited until she brought his cock to rigid attention before he grabbed her toes in one fist and bent them backwards.

Jack expected her to grimace from the pain. Instead, she smiled.

"Carly said you were rough."

Jack immediately released his grip.

"You remember Carly, don't you?" Carly was his former captain's well-endowed daughter whose oral skills cost Jack his job and most of his retirement pay. "She gave me your number."

Jack leaned forward and whispered harshly, "I'm done with that bitch."

"That's not what Carly told me."

Jack pushed the blonde's foot out of his lap and slid out of the booth. He made it to the door before the blonde caught up with him, and she slipped her arm in his when they stepped onto the sidewalk outside.

"How far is it to your apartment?" she asked. "A block? Two?" She leaned against him, and Jack felt the side of her heavy breast mold itself to his bicep. "Why don't you take me there?"

Jack knew this girl meant trouble. It was written all over her tits. But, he had always been a slave to his cock, for better and mostly worse. Jack stepped back from Sara and thought about the possibilities. Yes, Sara was trouble. But her rack was incredible, and her pouty mouth would look good stuffed with his cock. Within seconds they were headed to his second-floor walk-up above the Chinese take-out. On a good day his apartment smelled like soy sauce and gym socks.

This wasn't one of those days.

"So, are we going to fuck?" Jack asked as he closed the door.

Sara didn't answer, and Jack turned to find her unbuttoning her blouse, revealing an industrial-strength, white

bra. She shook her shoulders, causing the blouse to slip down her arms and fall to her feet.

Jack didn't move until Sara reached behind her back and began unfastening her bra. He crossed the room in three steps, reaching around her and catching her wrists as the last hook slid out of position. As he stared down at her, Jack demanded, "What do you want?"

"This." She stretched up on her tiptoes and caught his bottom lip between her teeth. She bit hard and then her bite turned into a kiss—a hard, deep kiss.

Jack pulled her tight against him, feeling her heavy breasts mash against his chest and her pubic mound grind against his rigid cock through their clothes. He felt the intense pressure building inside him.

Jack pushed the blonde away. When he did, her bra slipped off, revealing a massive pair of mams darkly tanned on top and milk-white underneath where the sun never reached. Her wine-dark areolae were tightly constricted, and her nipples, as thick as bullets, thrust forward as if searching for Jack.

She unzipped her skirt and let it slide seductively down her legs. Then she stepped out of her sandals and black thong. Like her tits, Sara's pubic mound

CASSANDRA

In a perfect world, every man would have a smokin' hot busty-babe like this!

Truth be told, we worship every cell in Cassandra's body. And, not just 'cause this leggy, curvy, beautiful, horny (pick an adjective, any adjective) V-girl is your classic, blonde bombshell who has a body that makes all of America's Top Models look like complete woofers and a face that could launch a thousand dicks. No, we love Cassandra for all of those reasons plus that gratuitously hardcore picture we showed you in last month's V-Mail—a cock in each hand with gobs and gobs and gobs of goeey spunk splattered all over Cassandra's gorgeous face, silky hair and perfect tits. If you missed it, break out your Jan. '06 issue or turn to page nine of this one to get it. You can thank us later.

It's almost hard to believe Cassandra hasn't been in *Voluptuous* for over two years. Some people tend to think because of Cassandra's Barbie Doll-body and so-big-they-oughta-be-augmented tits, that she is more suited for our sister mag, *SCORE*. In fact, for the past seven issues, we've had these pictures of Cassandra on our desk, ready to go, only to bump her for a lady with more, ahem, *Voluptuousness*. Enough of that shit.

If *Voluptuous* is about anything, it's about getting off, and few women get our cocks throbbing like this Slovenian superstar. And, few women get off like Cassandra, too. Yes, we're talking videos and DVDs—girl-girl, boy-girl, solo chick-stick stuff, pick-a-door-any-door style sexxx. Cassandra does it all, takes it all, and gets off all the time—almost as much as us *Voluptuous* editor-types, and that's saying something!

Now here's a girl who knows what penetration is all about. Heck, the only place Cassandra isn't getting violated here is in her pretty, cock-worshipping mouth. But, don't you all worry. If you have *SCORE Xtra #7*, you know that if there is one place Cassandra wants 12 inches of big dick, it's in her mouth. The girl gets her face fucked so powerfully, it's as if Cassandra has a clit on the bottom of her chin, and the only thing that will get her off is a pair of big balls banging against it. True, we wish they were our balls, but with this month's set of raunchy wallpaper and Cassandra's hardcore video, two out of three ain't all that bad, eh?

AFRICA

Definitely, not your ordinary bath!

Chicks and their shower heads, how's a normal guy gonna compete? "Don't you worry, sweetie. The water feels good, but a big, hard dick feels much better." Not only are those our words, but (thank goodness) they're also Africa's. Yes, the greatest black-n-stacked porn star in the world loves dick! We've all seen just how much in past issues of *Voluptuous Xtra* and on her cock-swallowing, cum-splattering, hardcore DVD, *Black & Stacked Xtra* #3. But, when there isn't a cobra-headed-yogurt-spitter around, a girl's gotta do what a girl's gotta do, right? We're just happy that Africa is letting us enjoy the show!

The way Africa fucks in hardcore videos, you almost forget about her F-cup tits and curvy, swimsuit model's body. Or the fact that she's as personable, chatty and funny a woman as you could ever hope to live happily ever after with. However, without a dick to get in the way, we're sitting here thinking the same you are: "Africa is so smokin' hot, I'd drink her bath water!" Sorry, guys...been there, done that!

FUCKIN' BITCHES

Continued from page 31

was a bone-white triangle that never saw the sun, and she'd shaven it clean.

Jack still hadn't unfastened a single button. "How old are you?"

"Older than Carly."

She stepped close and unbuttoned his shirt, pushing it off his shoulders. Jack hadn't done laundry in two weeks, so he wasn't wearing a T-shirt underneath. Sara paused when she saw the discolored pucker on his left shoulder where a crack-head had drilled him with a .38 two weeks after he'd joined the department. Moments later the crack-head became Jack's first self-defense shooting. She French-kissed the wound, thrusting the tip of her tongue into the flesh divot.

Then Sara unfastened his belt and unzipped his jeans. She grabbed the waistband of his pants and his boxer shorts and pulled them down his legs as she dropped to her knees in front of him. Jack's cock stood at attention in front of Sara's face, a glistening drop of pre-cum already crowning the head.

Sara's face was so close to his cock, that Jack could feel her hot breath against his skin. Then, the tip of her tongue shot out, and the pre-cum disappeared. A moment later, she took the head of his cock in her mouth and

hooked her teeth behind his glans.

She suckled on the head of his cock like a hungry newborn latching onto a nipple. Jack grabbed the back of her head and wrapped his fingers in her fine, blond hair. As he thrust his hips forward, she accepted his entire length into her oral cavity, something not even Carly had been able to do.

Jack pulled back quickly, before she gagged, and then did it again. Sara reached around him and grabbed his ass, her middle finger discovering his other bullet wound, the one where a bank robber had caught him diving behind his patrol car just before becoming Jack's second self-defense shooting.

Jack thrust into her three more times, and then knew he couldn't hold back any longer. Sara must have realized it, too, because she pulled his crotch tight against her face and swallowed every drop as Jack fired thick wads of spunk against the back of her throat.

Sara released her oral grip on his cock a moment later, and then she stood. She took his hand and led him into his bedroom, where she pushed aside the jumble of covers and had Jack lie down on the sheet.

She straddled Jack and leaned forward, placing her hands on either side of his head. Her heavy breasts hung in his face, and Jack took one fat nipple into his mouth. He teased it with his tongue, and then moved to the other

nipple and did the same.

"Do you miss Carly?"

"Mmmph," Jack mumbled around a mouthful of soft tit-flesh.

"She misses you."

Jack didn't want to think about Carly, but he couldn't help it. His cock quickly rose to attention and pressed against Sara's thigh.

She sat up, pulled her nipple out of his mouth and her breasts away from his face, and repositioned herself so that his cock was pressed between her swollen pussy lips. Then she thrust downward, impaling herself on his weapon. Sara rode Jack hard, bucking up and down on his member. Her heavy breasts bounced every which way, so Jack reached up and captured them in his hands, feeling her saliva-covered nipples drilling into his palms.

She threw her head back and began screaming so loud Jack thought the people downstairs might think it was the Year of the Tiger.

Sara came, and she came hard, her pussy throbbing around his cock and trying to milk it dry as Jack thrust his hips upward, burying his cock deep inside her as he came. Then she collapsed on top of him, flattening her massive mams on his chest.

She stayed there until his cock finally stopped throbbing and slipped from her slick pussy. After a few minutes, she rolled off of Jack and lay beside him on the bed, her head in the crook of his arm, her breasts pressed against his side, one leg thrown over his thighs.

As she traced the outline of the bullet wound on his shoulder with the tip of her finger, Sara asked, "Those people you shot, did you kill any of them?"

"All of them."

Sometimes dealing justice required a different approach than upholding the law. The third shooting had never appeared on his record because Jack had used a throw-down, and no one had ever found the molester's body.

"Carly said you'd know what to do," Sara said. "She has a problem, and she can't tell her father."

"Why didn't she call me herself?"

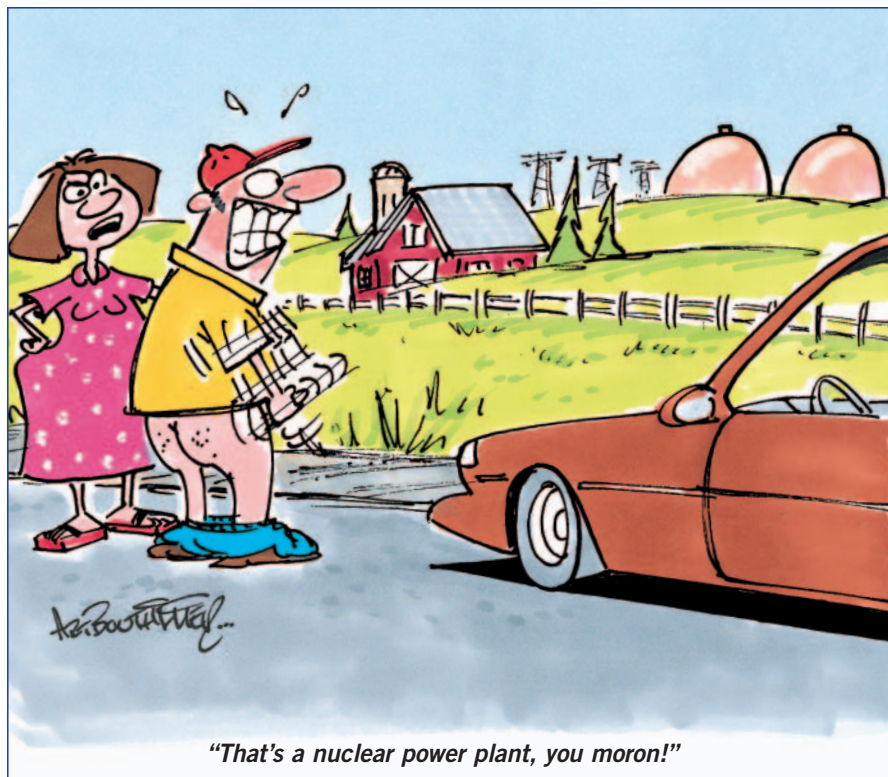

Sara pushed herself up on one elbow so she could look down at Jack. "Would you have talked to her?"

Jack shook his head deliberately. "I would have told that bitch to fuck off."

"Yeah. That's what she said."

"So, she sent you?"

BRANDY TALORE

The *Voluptuous* goddess-next-door!

Let's face it, most of our lives could be a bit better. We work all day, but do get an hour for some Chicken McNuggets and a soft drink that (go figure) costs more than the food. Then, we go back to work only to suffer through the insufferable, which for most guys is better than what awaits them at home. On a good night, it's Salisbury steak and Monday Night Football. On most evenings, it's that same frozen dinner and a wife who just can't get enough reality TV. Just once it would be nice to play online poker all day long at work without catching shit, maybe jerk off a few times to the latest *Voluptuous*, leave early to beat rush hour, and when you got home, life would only get better. Dinner would be hot and waiting, but you could give a shit because *she* would be there. And, she would be hungry, too...for you!

Brandy has been the fantasy girl of thousands ever since she debuted in the June '03 *Voluptuous*, and it's plain as day why. She's so freakin' cute, it's not even fair to the rest of the female race, and her tits are just...well, they're enough to drive a man to masturbation. Still, we dig Brandy's nips the best. Look at 'em! But, be careful, boys. Brandy's dugs are so big and so hard, they really could take your eye out. Ahhh, what the hell, that's why most of us have a pair, anyway.

Brandy has often been labeled as the “ultimate girl-next-door” by more V-men than we can count, and she is. But, this naughty neighbor also fucks. And she fucks like no neighbor we’ve ever known. Whether she’s whoring out in the fantasy, role-playing cum-fest, *Busty Hookers* or taking a cock the size of most forearms balls-deep in *Voluptuous Xtra #10* and *Hard SCORE*, there’s one thing we do know. If you’re living next-door to Brandy, dude, don’t ever fuckin’ move!

This *Voluptuous* newcummer is packin' in all the right places!

Oh, to be young and carefree. Such is life in Devyn Devine's world, and now she's going to share some of her good life with all of us. A 28-year-old grad-student in the Pacific Northwest, the only "F's" this magna *cum*-laude brainiac sees are in her bra-size. She's a transplanted Brooklyn'er who loves the Rangers, white-water rafting and her Sharper Image massager. "Don't forget watching guys jack off!" the Devine-One reminds us. Yes, every girl has that one special thing she loves the most, and that's Devyn's. Hmmm, we like to jerk off and this gal likes guys to jack off for her. Sounds like a perfect match!

Ya'll can tell that Devyn is a left-brain oriented type of gal, can't you? Now, is that the side of the brain that controls sexual desire? The side that makes a gal real horny-like? The side that makes one nipple all constricted and lovey-dovey while the other is, well, unconstricted and lovey-dovey? Hey, Devyn is the graduate psychology student. We don't have a clue. Your trusty, crusty editor has a J.D., not an M.D., and his jacking doctorate only knows one thing. These are some real, big titties that need to get fucked! Go ahead and join. FUCKIN' BITCHES

Continued from page 46

"Carly didn't send me," Sara said. "She doesn't even know I'm here."

"So, what's she gotten herself into?"

Sara began explaining. By the time she was finished, they were sitting at his small, dilapidated kitchen table, Sara in one of his old uniform shirts and Jack in his boxers, nursing instant coffee made with hot tap water.

"Can you help?"

"I'll need to sleep on it," Jack said.

"Can I sleep on it with you?" Sara asked. "I had to transfer buses three times to get here, and I don't want to ride them home this late at night."

Jack told Sara that she could stay, and they fucked twice more before she fell asleep in his arms.

Jack laid awake for a long time after that, staring at the cracked ceiling, considering all of his options. Although he usually referred to Carly as a "bitch," there was something about her that Jack couldn't resist—something he needed, again. The smart thing, Jack knew, was to fuck Sara in the morning, and then go see Carly in afternoon and nail her, too. Then, when they were both cov-

ered with spunk, expecting Jack to save the day, he would tell them both to "fuck off." But, Jack rarely did the smart thing. He would help Carly. As much as he loved to hate her, Jack hated scumbag drug dealers even more.

The next morning, Sara took Jack to meet Carly. It had been nearly three years since they'd seen each other, and Jack realized that 22 looked pretty damned good on her.

"She told you?" Carly asked from the other side of the booth at a 24-hour pancake house where she worked as the day-shift hostess. Sara sat beside Jack with her hand nestled in his lap.

"Everything."

Carly wouldn't meet his gaze. Instead, she stared out the window, watching cars speed by. "There isn't a day that goes by that I don't think about you," she said. "There isn't a day that I don't regret what my dad did to you."

Big Papa had found Jack in his daughter's dorm room with his dick in her mouth, a memory Jack had tried hard to erase. Jack didn't say anything.

"Sara says you can help,"

Carly said. She finally looked at him, her eyes

pleading, but not her voice. "Will you?"

Jack nodded without hesitation or thought. "When does your shift end?"

Carly told him.

"We'll see you then."

Carly returned to her position behind the cash register, and Sara took Jack to her apartment, where they fucked long and hard while listening to some American Idol reject whose CD she had queued up on her CD player.

Then Sara showered. She dressed while Jack showered. When Jack opened the shower curtain, he found Sara sitting on the toilet seat holding the snub-nosed .38 he'd brought along.

"You planning to use this?"

Jack was happy to see she wasn't pointing the gun at him and didn't have her finger on the trigger. "If I need to."

"Think this'll stop him?"

"Yeah. It'll stop him." Jack took the .38 from her hands and returned it to the worn leather holster he wore at the small of his back, inside his pants. Then Jack dressed, and they drove to the pancake house to pick up Carly.

ANASTASIA

Ya Gotta Love These Eastern Euro Gals!

With the influx of Czech Cuties, Hungarian Hotties, Romanian R... whatever, we've been marveling about the Eastern European, big-tit sensations for pretty much all of this decade. Now, here comes Russia's Anastasia ("Ana" for short) to remind us all once again what the hub-bub is about. You guys remember Anastasia, right? April '05 *Voluptuous*. The gal with something like 200 sex toys and the libido to use all of them in one night. The one who had you all screaming *Da! Da! Da!* while you shot a gooey wad of spunk so powerfully that it's probably still stuck to your ceiling? Oh, now you guys remember Moscow's Mammary Marvel! We thought you would.

With a body this fuckable, it's almost a shame that Anastasia isn't one of those mail-order bride types you can do the until-green-card-do-we-part thing with for a couple of grand. Alas, this gal does have a brain, the quality of which surpasses even her awesome body. Ana speaks four languages (five if you count the international language of big-tits), has a Bachelor's in International Relations, is gainfully employed (i.e., she makes a lot more than most of us) and needs a sugar daddy like she needs a dick in her ass. Actually, Ana kinda digs that last part, just so long as you don't neglect all of her other orifices, which is yet another reason Ana is fast becoming one of our faves!

Man, how sweet would it be to go cheek to ass-cheek with Anastasia? You could lick her freshly showered winkie before curling up your tongue and pushing it into her asshole while she squealed sweet somethings for all of your neighbors to hear. Soon, her tight twat would be gushing love juice, drenching the two fingers she had sucked deep into her pussy. If you wanted to, you could pull your tongue out of her ass, slide those two fingers into her rosebud, then jack-hammer fuck her twat until she's screaming in orgasm. When you're ready to cum, you wouldn't blow inside her. No, Ana has already told you she wants a taste. On her knees, Ana would spread her supple lips and suck your cock until she's savoring every last drop of your jizz. Then, instead of crashing, Ana would keep your dick in her mouth, a vibrator up her twat and she would cum constantly while she sucked you back to hardness! Now, that's the stuff wet dreams are made of, for us and Anastasia. Only, when she told us what you just read, it included two men with a cock in each of her holes. Yeah, we changed it a bit. What can we say? We wanted to keep Ana all to ourselves.

You know, guys, if God came down and gave us the chance at reincarnation, coming back as a *Voluptuous* studio dildo wouldn't be too shabby, eh? Of course, if we were under Anastasia's bed, we'd have a lot of company. She has a couple hundred sex toys—shiny ones, rubber ones, chick-sticks with squiggly things shooting out from the sides, rabbits, hares, dolphins, you name it, and Ana's probably got it. And they're not for bachelorette parties, either. "I get off at least 10 times a day. When I wake up. When I shower. At least five times at work, sometimes at my desk. And when I get home, it's the first and last thing I do before I go to sleep." When we asked Anastasia, "why?" her answer was, well, as brief as it was brilliant... "Why not?" Like we said earlier, "Ya gotta love these Eastern Euro Gals!"

FUCKIN' BITCHES

Continued from page 62

She had changed out of her uniform and wore a pair of painted-on jeans and a scoop-front blouse like the one Sara wore. The two young women directed Jack out of the parking lot and down a series of side streets until they reached the apartment building where Carly's problem lived.

A few minutes later, Carly knocked on an apartment door and responded when questioned from the other side. As soon as the latch clicked and the door handle turned, Jack shouldered his way into the room, knocking Edwin Carver back against the wall. Jack grabbed Edwin by the collar and propelled him down the entry hall to the living room at the back of the apartment. Carly and Sara followed Jack into the apartment and closed the door.

Jack shoved Edwin on the couch and quickly produced the .38 from the holster at the small of his back. He aimed it between Edwin's eyes.

Edwin looked up at the gun. "I don't have any problems with you, man."

Carly and Sara didn't follow Jack into the living room. Carly went to the bedroom, and Sara quickly disappeared into the kitchen.

"You have a problem with Carly, you have a problem with me," Jack said.

"Who are you? Her daddy?" Edwin asked. "Or are you her sugar-daddy?"

Jack backhanded Edwin with his free hand and saw blood trickle from the corner of his mouth. It had been a long time since Jack had done anything remotely like that, and it felt good.

"My grandmama's got a better punch than that," Edwin said as he started to push himself off the couch. "If that's all you got, you better get out of here before I bitch-slap *you* around."

He cocked the .38, and Edwin froze.

Jack knew the drug dealer would be trouble, so he squeezed the trigger and watched Edwin's once cocky eyes go wide with fear as the back of his head exploded against the wall.

Jack barely heard the girls when they rushed into the living room. Carly carried a bulging pillowcase in one hand, and Sara had banded stacks of hundred dollar bills in her hands—lots of stacks.

"Jeezus Christ! What the fuck did you shoot him for?" Carly demanded.

"So he won't bother you any more."

Sara shoved the money into Carly's pillowcase and then grabbed his arm. "We need to get out of here, now!"

Jack thrust the revolver back in its holster, the hot barrel warming the crack of his ass as he followed both young women out of the apartment.

They were in Jack's Oldsmobile driving away from the scene before any of them said a word.

"Oh...my...God," Sara finally said. "That was so fucking righteous."

They drove to Carly's apartment, and Jack watched her dump the pillowcase's contents on the kitchen table. In addition to the money Sara had shoved into the pillowcase, out came jewelry and baggies filled with pills.

Carly looked at Jack, "I'm so fucking wet right now."

Jack pulled her into his arms and covered her mouth with his. They kissed hard, like they had before her father had separated them. Before the kiss ended, his cock was straining against the inside of his jeans.

Carly pulled away from Jack and grabbed Sara's hand. Then she took his hand and led them both into the bedroom. The two young women peeled Jack's clothes off and then slipped out of theirs. Within minutes, the three of them were naked on Carly's bed.

Carly positioned herself between Jack's widespread thighs and then leaned forward and took his man-meat in her mouth. As Carly sucked his cock, Sara straddled his face. Jack licked her swollen pussy lips and then plunged his tongue between them. When he found the swollen nub of her clit, Jack sucked it between his teeth and held it as he spanked it with his tongue.

While Carly face-fucked Jack's cock, she grabbed his balls and massaged them with her fingers. By then, Jack couldn't hold back any longer. He shot a thick wad of hot spunk into Carly's mouth, and she swallowed every drop.

Sara kept bouncing up and down on his face, moving faster and faster. Then Carly rose to her knees and straddled his waist. From his position under Sara's ass, Jack couldn't really see what Sara and Carly were doing, but it seemed like they were kissing.

Sara came a moment later, pressing her pussy tight against his face as her love juices spilled over his chin.

His cock was already hard again, and

ULTIMATE ANNIE SWANSON

Continued from page 22

NURSING ASSISTANT

As she regains her composure after the mesmerizing thoughts of how rewarding retail sales might be, Annie is thinking that she wants to help people. Her job counselor suggests that she become a nursing assistant.

Annie makes a great nursing assistant with the tight, white top and white, micro mini-skirt that comprises her uniform. Form-fitting barely begins to describe her look.

Her first assignment finds Annie and another busty nurse (Lilith) checking Mr. Johnson's blood pressure, which seems fine. Judging by the way the nurses handle the equipment, this may not be a hospital you want to go to for medical care. Annie then checks Mr. Johnson's reflexes by giving him a tap on each knee with no result.

However, when the nurses decide to check out Mr. Johnson's Johnson, they see where all the blood has gone. Annie gives his pecker a few strokes, and suddenly he is out of his coma with a goofy smile on his face that makes him look like Bob the Enzyte Guy.

The first thing he does when he wakes up is grab a handful of tit. Annie goes down on him in what we can only assume is a celebratory blow job. Mr. Johnson sucks on both of Lilith's nipples, who then proceeds to free Annie's globes from her tight top. Then, Lilith inhales Mr. Johnson's junk while Annie goes for his balls. Annie takes over and gives the patient some spirited head.

Annie then comes up with another form of therapy for him. "Let's tit-fuck him," she tells Lilith, who looks eager and fully capable to handle the job.

Lilith's hangers handle the job first as she grinds her boobs down on his rod. After a while, Annie wants in on the action. She tells Mr. Johnson to tit-fuck her next to the bed. He slides his pecker between her bountiful bosom, showing nice dexterity for a guy who had been in a coma for three weeks.

Annie's big-uns swallow up his joint, and she sucks him off before he turns to the bed and jabs his cock into Lilith. Mr. Johnson slides his meat in balls-deep and pounds away, again, showing surprising stamina for a man who has been in a coma for three weeks.

The girls switch spots, and Lilith

climbs on Mr. Johnson for a reverse cowgirl ride. Meanwhile, Annie rubs her clit and does everything she can to get herself off. This scene smokes, even though we all know you're not supposed to do that in a hospital.

Mr. Johnson goes back to Lilith and fucks her hard doggie-style, smacking her ass as he rams his cock into her sweet pussy, while she treats Annie's clit like it needs mouth-to-mouth. By the way, Lilith keeps her stockings, garters and heels on during the entire scene, which you leg-lovers oughta dig.

Next up, it's Annie's turn for some doggie-style whamming, and she stays on all fours for quite a while, taking Mr. Johnson's hard inches over and over, moaning ecstatically as she does. If you couldn't guess she was enjoying the coma patient's very live loins, a close-up of his hard cock slamming in and out of Annie's very moist, juicy pussy will show you that this girl ain't acting. She's fucking loving every second of it.

Our two nurses then take turns sucking on Mr. Johnson until he blasts a load of spunk on their tits and into a specimen tray. The girls then pour the goo in the tray over their boobs.

Ahh, but just when you thought the scene was coming to a close, there's a plot twist. We won't spoil it for you, but suffice it to say that Mr. Johnson's cumming is followed shortly by his going.

PORN STAR

Ahh, now here's a job Annie was built for. Talk about art imitating life.

Annie walks into a photographer's studio wearing a black trench coat. The photographer makes some disparaging comments until Annie opens the coat and shows off a plum-colored bra and panty set. Suddenly, it doesn't matter that she's about a foot shorter than a model is expected to be. Those tits and that smile make up for a few inches. In fact, those tits and that smile often create several inches.

The photographer immediately begins taking pictures as Annie goes through several poses for him. She takes off her bra to reveal her "heavy hitters," as the lensman calls them. He gives her a thick vibrator, which Annie uses for a short time before her male co-star is called to the shoot.

Annie says, "Hi," to her co-star and undoes the towel he's wearing around his waste before instinctively reaching down to jerk him off. "Nice cock," she

says as she gives him a few strokes. "Nice fucking tits," he responds, grabbing two handfuls of Annie's assets. This is porn-star bonding at its finest.

Soon, Annie is down on her knees, smacking her knockers with her new friend's hard-on. She puts several inches in her mouth and sucks him off before moving down and taking both balls into her lovely mouth.

The next shot we see is of Annie on her back, wrapping her tits around this guy's tool. He takes full advantage of Annie's glorious rack with long thrusts. Annie helps out by moving her boobs back and forth on his joint.

Joe Porn Star eventually gets around to tickling Annie's clit with his tongue, but he doesn't take too long down there before working his tool into Annie's moistened snatch. She's got one leg over his shoulder, her pussy open wide, and her tits bouncing like beach balls as her co-star has her howling for more.

They change positions, and Annie climbs on for a bit of reverse cowgirl. Never have you seen a woman slide down so quickly on a cock. She proceeds to ride him hard, bouncing up and down on his cock while her tits flop around wildly in a frenzy.

Annie leans back on top of him and goes nuts when he starts power fucking her. She goes ballistic again when he starts frigging her clit while he slides his bone in her gooney gash.

What becomes very obvious during this scene is that Annie loves to get fucked hard, deep and fast. It's almost as if this is the biggest cock she has ever had and she wants-nay-needs every fucking inch! After she turns over onto all fours, Annie starts screaming as he grabs a handful of hair and buries his cock deep, over and over again.

Finally, Annie turns over again, presents her breasts as a target and throws her head back waiting for his man juice. He shoots it all over Annie's tits, and she does the right thing by massaging the goo into her hooters.

But, Annie's not done yet. She sticks around for a last bit of solo work on her boobs, caressing them and rubbing the jizz in until there's none left. Then, Annie offers up a question for all of us.

"So, do you think I can be the world's greatest porn star?"

That's kinda like asking if *Ultimate Annie Swanson* is a great porn video.

The answer to both of these questions is an emphatic...*Hell yeah!* 

OH GRAND MAMMA!

47 Years Young & Friskier Than A Teenager!

Everybody be honest, now. How many grandmas do you know who not only have big, round, perky titties like Rose Bennett, but also a round ass, hairy bush and, oh yeah, no problem spreading wide for our cameras? If there's a better reason to show Rose off in *Voluptuous*, we can't think of one!

An Alabama-born, California-living divorcee, Rose's grandson just celebrated his fourth birthday, and Rose is partying in her own way. Her ex-husband (the only man she had ever been with) just left her for a 20-something waitress, but instead of wallowing in self-pity, Rose decided that it was finally time for her to live and live well. A new convertible, sexy clothes, and, how's this for payback? A 21-year-old NCAA football player for a boyfriend who is so horny, Rose is now getting more sex in a week than she used to get in a year. The only thing that would make Rose's life perfect would be if her ex-husband saw these pictures. "He loves big tits, and he used to subscribe to *Voluptuous*, so who knows." A V-man, huh? What the hell, we may lose a reader, but we gotta say it... Dude, you're a dumb-ass!

FUCKIN' BITCHES

Continued from page 73

Jack knelt behind Carly's upraised, perfectly shaped ass. He slid his saliva-slick knob up and down the crack of her ass, and then pressed it against her swollen pussy lips. They parted easily, and Jack sank his cock deep inside Carly. Slow at first, it wasn't long before Jack started pounding into her.

"My God, Jack! Yes!" his former-lover cried out. "Fuck me hard!"

Sara laid on her back behind Jack and then slid up the bed until she was looking up at his face every time Jack drew his hips backward. She rose up and began tonguing Carly's pussy as Jack's cock pistoned in and out of it.

Carly came hard, and Jack felt her pussy spasming around his cock as he continued fucking her. Jack was ready, and he fired a thick wad of spunk deep into Carly's spasming pussy. He held her hips tightly until his cock softened, and Jack didn't notice the bruises until he finally released his grip.

Sara and Carly had more stamina than Jack, and he fell asleep before either of them was satiated.

He hadn't slept for more than four hours straight in months, but somehow Jack managed eight after his tryst with Carly and Sara. And he dreamed—good dreams. Islands and sailboats and two beautiful, busty babes by his side. Contentment. Bliss. Paradise. For the first time in a long time, he was looking forward to dawn.

"Jack? Wake up, Jack."

Jack opened one eye and saw both of the girls standing at the foot of the bed. Carly held his .38 in her hand, and she was pointing the gun at his chest.

"You know, Jack, my father said you would come back. He told everybody you were obsessed with me. He said you couldn't stay away. And everyone knows you're violent. You've killed people, Jack. I had to defend myself."

In the last moments of his life, as he watched Carly's finger tighten on the trigger, Jack Brogan wasn't thinking about paradise or sailboats or breasts.

Jack felt an overwhelming sense of shock and disbelief. But, more than anything, the grizzled, hardened, former police officer felt...like a dick.

"Fuckin' bitches!" was all Jack could utter before his world faded to black. ①

VERONIKA

It's time to cash in on one gorgeous Czech!

Does this gal look sexy, or what? For all you guys experiencing *Voluptuous* for the first time, this lovely lady's name is Veronika. She's your classic Czech-Mate, which means she's gorgeous, bodied-up and worships cock on video like we wish all chicks did in real life. As for all you veteran V-men who already know Veronika, we really don't have to tell you too much to get you excited. You're already as hard as a lead pipe.

Back in our March 2004, 10th anniversary issue, we named 10 future superstars who we thought had the right stuff to reach "legend" status. Veronika was one of them. And that issue was her debut pictorial. To be honest, we didn't really go out on much of a limb. Aside from having a *Voluptuous* body reminiscent of many great ones like a young Kerry Marie and Lorna Morgan, we already knew Veronika would make a name for herself by basically fucking better than most any woman alive. Four hardcore videos later, and Veronika has proven us right.

We have Veronika's latest hardcore video (*Linsey Dawn McKenzie: Maximum Insertion*) in the Video Club on page 99 and all of her videos at eBoobStore.com. We encourage you to get one or all of them. No, we're not trying to up-sell some DVDs. Nobody's giving your editor a percentage of the sales, and all of Veronika's movies are best-sellers anyway, so they really don't need any help. Consider it a public service. The way we see it, until you've experienced Veronika get-

ting her pussy eaten by Linsey Dawn McKenzie, while a guy slams LDM doggie-style, you really haven't lived yet. And if you've yet to hear Veronika screaming in orgasm while some stud rams her at warp speed, well, we feel sorry for you. It's a beautiful world we live in, filled with gorgeous women. Only, most of them keep their cunts to themselves and only share their lust with one guy. Veronika shares with all of us, and that's why she's no longer a "future" superstar. Veronika is already there!

LILITH

From her newest hardcore video, Lilith gets skewered like never before!

All righty, boys, it's time for the Horniest Show On Earth, and right off the snap we have to say that we absolutely love watching Lilith suck and fuck. Sure, her tits are great, her snapper is virgin tight and her ass is so perfectly round it oughta be in a museum. But plenty of gals have great bodies and fuck like corpses. Not Lilith. Attitude is everything in the wonderful world of porn, and Lilith's attitude is simple... "Give me every fucking inch!" Our kinda girl!

BARE FACTS

LILITH

Age: 28 **Birthday:** November 19, 1977 **Height:** 5'4"
Weight: 142 lbs. **Measurements:** 44-30-38 **Bra Size:** 38DD
Lives: St. Louis, Missouri **Occupation:** Exotic entertainer
Previous *Voluptuous* appearances: Sept. '05, Oct. '04, April '04, May '03, Dec. '02, Aug. '02, May '02, March '02, Oct. '01
Video: *Ultimate Annie Swanson* and *Voluptuous Xtra #11* (both videos are XXX-Rated and available on VHS and DVD in the Video Club on page 98 of this issue), *XL Xtra #2* (XXX-Rated), *Ultimate Autumn* (XXX-Rated), *Voluptuous Xtra #5* (XXX-Rated), *Voluptuous Xtra #4* (XXX-Rated), *Lilith Private Session* (X-Rated), all videos are available at eBoobStore.com.

Looking at Lilith's resume on the previous page, we were almost shocked to see that this is her 10th *Voluptuous* appearance and *Voluptuous Xtra* #11 is her seventh video (six of which are XXX hardcore). Having posed for *Voluptuous* since 2001, it's almost as if we have taken Lilith for granted. Still, seeing her get skewered once again and take a cum shot to the tits, it's pretty easy to see why Lilith is racking up numbers that may vault her into *Voluptuous* "legend" status. "Now, I don't know about all of that 'legend' stuff," the soft-spoken, but hard-fucking and loud-orgasming Lilith told us recently. "I'm just a big-titted gal from Missouri who loves to get fucked." Now, that's the stuff legends are made of!

JUMP BACK...

The Cum Is Gonna Fly All Over Hayden's Rack!

Ya'll can join in if you want to! Hayden won't mind. In fact, she gets all googly-eyed and giddy when we tell her V-men around the world love to spew spunk all over her magazine pictures. Yes, Hayden is a dirty girl, and we write that as the sincerest form of flattery for a lady who, go figure, feels we're doing her an injustice. "C'mon, I'm not a dirty girl," Hayden told us right before she got nailed in these pictures. "I'm a *very* dirty girl! Let me show you!" Take it away, Hayden!

We saw Hayden getting fucked in the June '05 *Voluptuous Xtra* and on her debut hardcore flick, *Voluptuous Xtra* #9. So, Hayden, how was your third XXX experience? "You can see for yourself. I love having sex. In fact, all three of my sex scenes were hot. But, honestly, if I had to choose the one scene that that got me off the most, it wouldn't be this one. Sorry, guys, but my video, [*Voluptuous*] *Xtra* #9 was so fucking hot, I can't tell you. Wow, did I cum gangbusters!" Trust us, Hayden, you weren't the only one!
